*"Dana was excellent – super energy – get her again!"*

*"Dana is an excellent and engaging speaker and one of the few at this Congress who has actually provided practical, useful tips you can easily take with you and use going forward."*

*"Best session I've attended so far. Presenter was lively and engaged us (especially after lunch). Gave good practical ideas we could use. I've heard of her before and really enjoy her style."*

*"Excellent session! Fabulous speaker! Great audience participation and relevant real world examples. Get more of these in the future!"*

*"Thank you for doing an audience activity. I took away one thing that I can apply to my project which is fantastic to get from a 1.25 hour session."*

*"Dana is a great presenter! Very much involves the attendees, is passionate about the topic, and provides real life examples to make her points."*

*"Outstanding speaker. Involved audience. Great techniques to try in the real world."*
